

YOUTH YOGA TEACHER TRAINING 50 HOUR CERTIFICATE

Thank you for your interest in the Australian Yoga Academy's Youth Yoga Teacher Training.

We are delighted to bring you this opportunity for innovate and directed learning specifically targeted at improving the overall wellbeing of our youth, from Kindergarten to Year 12 (approximately from 4 to 18 years of age).

This training programme is appropriate for already qualified yoga teachers or yoga teacher trainees. In order to be accredited to teach yoga to youths you must also complete (or have completed), an accredited, foundation-level, yoga teacher training programme that enables you to teach adults. Therefore:

1. If you have already completed a minimum 200 hours, Yoga Teacher Training course, that is internationally accredited with Yoga Alliance, and you want to be able to teach youths, you need only to complete AYA's Youth Yoga Teaching Certificate (50 hours).

OR

2. If you have not yet completed an accredited Yoga Teacher Training programme, you need to complete an accredited foundation level Diploma of Yoga Teacher Training.

Qualification Received

AYA is an internationally recognised, Continuing Education Accredited School through Yoga Alliance Australia. At the conclusion of this course, you may register as a Registered Child Yoga Teacher (RCYT) with Yoga Alliance and will be able to offer dedicated yoga classes for youths.

Completion of this certificate contributes 50 hours of CPD to your Yoga Alliance membership.

Modes of Learning

There are two modes of delivery to choose from:

1. Face-to-face at AYA's training studio at 42 Clifton St, Prahran, or
2. Interactive, livestreamed lectures delivered via Zoom for those who live a significant distance from Melbourne, or in the circumstances where you cannot attend in person (such as if you are unwell or have been caring for someone who is unwell, or if you are awaiting the results of a COVID-19 test).

You may choose to alternate between face-to-face and Livestream, if required, as the course is delivered concurrently through both modes of delivery.

COVID-19 Lockdown Provisions

Should a Government-enforced lockdown occur during training, the course does not pause. In this instance, the course will switch to be delivered via Livestream on Zoom for the duration of the lockdown. If density limits are in place, which means that the entire cohort cannot attend face-to-face at the same time, then studio time will be rotated fairly amongst the face-to-face cohort whilst density limits are in effect.
